## **CUBE-SHAPED HARDCOVER DESK SET**

### **PRODUCT DESCRIPTION**

#### **Advertising hardcover desk set**

Convenient, useful for organising your desk space, this cube-shaped set will meet the expectations of all those who often need to take quick notes in their daily work. The hard cardboard box contains 600 sheets of 80 x 80 mm paper with an ergonomically placed adhesive note pad and 100 markers on the lid. The cut-out allows easy removal of the pages and the flap protects the pages from dirt.

#### **A spacious way to promote your business**

The cube box allows you to place your logo and other advertising messages on the cards inside and the self-adhesive block, but especially on the four sides of the cube. The important thing is that - just like other Capira promotional gadgets - you can print your graphics on the whole available surface. This gives you an item that is visually appealing on the one hand, but also presents your brand on a diverse surface that is visible from all sides.
