

SPIRAL-BOUND PLASTIC FROSTED COVER NOTEBOOK

PRODUCT DESCRIPTION

Promoting A4 spiral notebook with frosted cover

This spiral-bound A4 notepad is an extremely attractive and useful tool for your daily office work. In addition to the large spiral-bound pages, it contains two self-adhesive pads, 100 colour-coded indexes, a pocket for business cards and - optionally - a place for a ballpoint pen and a closing rubber band. The originality of this gadget is underlined by the frosted plastic binding, under which there is an additional cardboard cover.

Delight your customers with fully personalised advertising graphics

The CPO-420 note pad provides you with a very large and visually appealing promoting opportunity. You can place your individual graphics on the cardboard cover, on the A4 pages inside and on the self-adhesive pads. Such a varied advertising surface allows you to effectively and eye-catchingly use your brand identity and offer your customer an interesting and useful gadget. What draws attention above all is the subtle, elegant effect created by covering the graphics with a frosted plastic cover.
